PHONES ******* 10 51 N W PRESIDENT OF CHAMBER ASKED TO FORM CABINET

ireds of miles of fine motor roads Task Tendered by King of Italy to Enrico de Nicola, Who May Accept.

> By the Associated Press. ROME, February 4 .- The king is understood to have offered the taskof forming a new cabinet to Enrico de Nicola, president of the chamber of deputies. It is known that the latter is reluctant to accept, having refused several similar offers in the past, but he is said to be wavering under the pressure of the majority

groups in the chamber.

The offer is said to have been made yesterday at one of the king's many conferences with leading politicians and members of parliament. It is generally believed, however, that the ministerial crisis will endure for eight or ten days.

Senor Bonomi was the only former premier received by the king yesterday, but former Premiers Giolitti. Orlando, Nitti and Sonnino have been invited to call at the Quirinal today.

been obliged to give up his pastorate and become a professor in Houghton Seminary, on account of the excitement attendant upon "booze running," he told the church conference in session here today.

He said he had two charges and was obliged to cover forty miles in three night trips each week. Even with a rifle in the car and driving in the ditch, he said, he made up his mind the roads of northern New York were unsafe for, ministerial circuit riders and gave up his charge.

The conference voted today to send six additional missionaries to India. Six missionaries also will go to Africa, and additional workers also will be sent to Japan as soon as the need of the field can be determined.
